Archer and a captrience of ever twenty-five years, the greatexpectant of which period was occupied as principal of the
fragative threative institute, New Orleans, Dr. S. has treated
several thousand ruptured patients, of both sexes and of all
several thousand ruptured patients, of both sexes and of all
several thousand ruptured patients, of both sexes and of all
several thousand ruptured patients, of both sexes and of all
several ruptured of whom were restored to health at
This unparally present of the lessings of short the country
prompted many continuous spreading three long and fatiguties journess from various period the United States, Martice and Citha, to the New teleans Institute, with the view
of resping the benefit and experience of Dr. S., in the selection and application of his popular remedies.

The happy reacts of this acounted art by Dr. S. has been
effected by most as-iduous study, and an adaptation of one
or the other of his several patiented inventions—the result
of this study, to each case presented, in conjunction with
its popular.

of that study, to each case presented, in conjunction with its popular.

REPTURE CURATIVE COMPTUND.

An external adplication, pumoting a speedy and permanet cure, without subjecting the patient to any of the suffering and inspire requiring from an attempted cure by the rigid and insupportable pressure of a trust.

So reliable and beneficial is this treatment that the patier in speed to the summer of the rupure, and will be enabled take the most active exercise on fool or on horseback, with perfect scurity against the dangers of strangulated Hernia. Dr. S., in order to arrive at the absolute certainty of the correctness of the seculiar course of treatment invented an adopted by him, devoted great attention to the mechanism of the structure lay leed in the course of Hernia, so that is now assured, by a large experience, that it is in second ance with the principles of science, and with the most universality acknowledged practice of artistic surgery; and hasserts, with the confidence thus inspired, that it will permanently relieve all cases of reducible Hernia, without regard to the age of the patient or the duration of the injury while it is wholly free from all the cruelty that has charaterized the realment of the malady from the carliest age the present day. He, therefore, invites the carriest attention of the affected, and the closest scrutiny of the present of the malacted, and the closest scrutiny of the presented.
